Atka

To follow up our discussion from last Friday, I located more information on Atka Air Force Auxiliary Field (F10AK085100). Based on a Findings and Determination of Eligibility dated 29 April 1996 and prepared by the Corps' Alaska District the site was conveyed to a native corporation. "Pursuant to the Alaska Native Claims Settlement Act of 1971, the surface estate was made available for selection by the Atka Native village and conveyed to the Atxam Corporation by Interim Conveyance 159, dated 27 February 1979."

Cape Yakak

Jurisdiction and management under USFWS.

Call me if you need additional information.
